DELUXE AMENITIES FOR THE DEMANDS OF A BUSY LIFESTYLE

You don't have to sacrifice your comfort or your privacy to get sober. We provide the following **upscale accommodations and amenities**, so you can **remain comfortable and connected** all throughout your detox program.

- Private rooms
- King size bed
- Access to personal cell phone and computer
- Personalized meals
- Complete privacy and anonymity

WHAT TO EXPECT DURING DETOX

- 1. Evaluation:** Upon arrival at our detox center, our staff will complete a comprehensive health and physical exam to determine your loved one's needs during detox.
- 2. Stabilization:** The duration of detox will vary depending on your loved one's unique needs and circumstances. Detox may include medication-assisted treatment to reduce the discomfort of withdrawal symptoms, as well as individual or group counseling.
- 3. Guidance into treatment:** Detox programs at Briarwood also include personal recommendations for ongoing addiction treatment to reduce the risk of relapse and promote ongoing recovery.
